FOR BABY'S SKIN
SCALP AND HAIR

Something for Mothers to Think About
EVERY CHILD born into the world with an inherited
or early developed tendency to distressing, disfiguring
humours of the skin, scalp, and blood, becomes an object
of the most tender solicitude, not only because of its suf-
fering but because of the dreadful fear that the disfigura-
tion is to be lifelong and mar its future happiness and
prosperity. Hence it becomes the duty of mothers of
such afflicted children to acquaint themselves with the
best, the purest, and most effective treatment available,
viz., THE CUTICURA TREATMENT.

Warm baths with CUTICURA SOAP, to cleanse the skin of crusts and scales
and soften the thickened cuticle, gentle anointings with CUTICURA OINT-
MENT, to instantly allay itching, irritation, and inflammation, and soothe and
heal, to be followed in the severer cases by mild doses of CUTICURA RESOL-
VENT PILLS (see below), to cool and cleanse the blood, are all that can be
desired for the alleviation of the suffering of skin-tormented infants and
children and the comfort of worn-out, worried mothers. A single set costing
\$1.00 is often sufficient to cure when the best physicians fail.

Millions of Women Use Cuticura Soap

Indicated by CUTICURA OINTMENT, for preserving, purifying, and beautifying the skin,
for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair,
for softening, whitening, and soothing red, rough, and sore hands, for baby rashes, itching,
and stings, for itching, irritation, and inflammation, or for local treatment of
eczema, or for the treatment of the skin of the face, neck, and chest, and for many
other purposes, in the form of washes for sensitive weaknesses, and for many
sensitive, antiseptic purposes, which readily suggest themselves to women, especially
mothers, and for all the purposes of the toilet, bath, and nursery.

CUTICURA RESOLVENT PILLS (Chocolate Coated) are prepared to meet the wants of
women and children, and are pure, sweet, tasteless, and odorless. They are beyond
question the most successful skin and blood purifiers and humors cures yet compounded,
and especially adapted to all the needs of women.

CUTICURA RESOLVENT PILLS are sold throughout the world. S. A. P. O. CUTICURA, 25c. British Depot,
25c. (Chatterbox) 25c. (London, French Depot) 25c. (Paris, Depot) 25c. (New York, Depot) 25c. (Chicago, Depot)
